Latin American Postcolonial Studies And
An influential debate on colonial and postcolonial studies in a major journal of Latin American studies was initiated by Patricia Seed, a historian of colonial Latin America, who presented the methods and concepts of colonial and postcolonial discourse as a significant breakthrough in social analysis.

Latin American postcolonial studies and global decolonization
Global capitalism, modernity, and the persistent colonial attitudes of the Western world are the phenomena in which to frame the presence of striking inequalities among and within countries. By assuming a liberationist standpoint, the analysis points at the convergence in methods and scopes of the Western postcolonial thought and the Latin American Christian theology of liberation for an effective decolonisation of theology.

Latin American Liberation Theology and Postcolonial Studies
Yet, while the rubric “Latin American postcolonial studies” suggests the existence of a regional body of knowledge under that name, in reality it points to a problem: There is no corpus of work on...

Subjects. Latin American Studies, Literature and Literary Studies > Literary Criticism, Postcolonial and Colonial Studies. Postcolonial theory has developed mainly in the U.S. academy, and it has focused chiefly on nineteenth-century and twentieth-century colonization and decolonization processes in Asia, Africa, the Middle East, and the Caribbean. Colonialism in Latin America originated centuries earlier, in the transoceanic adventures from which European modernity itself was born.
